

**California State PTA 2021-2022 Reflections Program  
Theme: I Will Change the World By...**

Designed to enhance rather than replace a quality arts education, the Reflections Program provides opportunities for students to express themselves and to receive positive recognition for their artistic and creative efforts. The California State PTA would like to congratulate the following students for their accomplishment.

The Outstanding Interpretation students will be invited to attend the California State PTA Convention. They will receive individual recognition during a General Session and their entries will be displayed in the Reflections Art Gallery.
