- [Form CT-NRP-2 & Instructions, pdf](#) Nonprofit Raffle Annual Report – Raffle registrants must report annually using this form.

THINGS TO KNOW ABOUT RAFFLES AND SILENT AUCTIONS

- **RAFFLES VS “OPPORTUNITY DRAWINGS”**
 - **RAFFLE:** Tickets for a chance to win a prize are sold or money is otherwise exchanged for the chance to win a prize. **This includes giving raffle tickets only to paid PTA members or only giving raffle tickets to individuals who make a donation to your PTA’s food drive.** *ANY EXCHANGE OF MONEY OR GOODS in order to receive a chance to win raffle prize REQUIRES A RAFFLE PERMIT from the State of California.*
 - **OPPORTUNITY DRAWING:** Tickets are offered free of charge to everyone for the "opportunity" to win a prize. No exchange of money or goods may occur to receive a ticket for an opportunity drawing. **Examples of opportunity drawings include door prizes at your PTA meetings.** No raffle permit is needed for this type of drawing.

- **FIFTY-FIFTY (50/50) RAFFLES ARE ILLEGAL.** 50/50 raffles in which tickets are sold and the proceeds from the sales are shared between the winner and the organization selling the tickets are illegal in the state of California. **DO NOT hold 50/50 raffles.**
- **ALL RAFFLES REQUIRE A PERMIT.** Only qualified nonprofit organizations in California whose tax reports have been filed on time may file for a raffle permit. Follow the instructions above to apply for your raffle permit **AT LEAST 60 DAYS BEFORE** your event takes place. Silent auctions are not raffles and do not require a raffle permit.
- **WINE OR LIQUOR IN YOUR RAFFLE OR AUCTION BASKET?** If your silent auction or raffle prize baskets have bottles of wine or liquor in them and they will be displayed and given away at your event, *you must apply for a special temporary liquor license through the California Alcohol Beverage Control board* for \$100. The license is only good for the day of your event. [Click HERE](#) for forms and more information, or contact First District PTA.
- **ONLINE SALES OF RAFFLE TICKETS ARE NOT ALLOWED.** You may advertise the raffle on your website, but you must sell the tickets in person. **You may not collect payment for tickets online.**

For more information about raffles, visit the California Office of the Attorney General, Department of Justice [WEBSITE](#) or contact First District PTA.

PTA INSURANCE

2023 – 2024 INSURANCE PREMIUMS

The new Liability Insurance Premiums are \$282 for unit PTAs. All insurance payments must be made directly to our insurance broker AIM (Association Insurance Management, Inc). **DO NOT SEND INSURANCE PREMIUMS TO FIRST DISTRICT PTA.**

On or around October 1, you and/or your PTA president will receive an email from California State PTA/AIM Insurance with a link to fill out your insurance information. After you have submitted the form, you will receive an invoice that allows you to pay either by ACH online payment through your PTA's bank account OR to print the invoice and mail a check directly to the insurance company.

All insurance payments are due no later than December 20th or late fees will apply. Check [this page](#) for more information, instructions, and updates.

INSURANCE GUIDE

Our PTA insurance policy protects all members of the PTA in case they are held legally liable for bodily injury or property damage to another person that resulted from a covered PTA event. This is not a medical policy, but a policy that pays because you are legally liable.

- **2023 Insurance Guide** — [English](#) and [Spanish](#)
- [Waiver Forms Packet](#) (Fillable PDF in both English and Spanish)

The majority of denied PTA insurance claims are due to the following financial procedures not being followed:

- Financial reviews not performed
- Bank statements not reviewed by a non-check-signer

Common misconceptions about PTA insurance:

- PTAs are immune from liability because of their non-profit status. (**FALSE**)
- The school's insurance covers PTAs for all of their events. (**FALSE**)
- Liability protects the PTAs from all risks. (**FALSE**)

Insurance not only protects your organization but also protects you as an individual, especially when there is limited coverage through your homeowner's insurance. This insurance guide will walk you through the risks that you are exposed to as a PTA, ways to reduce that liability, and how insurance policies can protect your PTA and its members should something happen at one of your events.

CONFLICT OF INTEREST / WHISTLEBLOWER FORMS

It's time to collect Conflict of Interest / Whistleblower forms. Remember that **every PTA board member, officer, and PTA staff member must complete a form annually**. Treasurers should keep the signed forms with the PTA's permanent files.

Printable versions of the California State PTA Conflict of Interest and Whistleblower policies and the Conflict of Interest form are included at the end of this guide.

Conflict of Interest Policy

 toolkit.capta.org/running-your-pta/planning-organizing/conflict-of-interest-policy/

Definitions

Conflict of Interest (also Conflict) means a conflict, or the appearance of a conflict, between the private interests and official responsibilities of a person in a position of trust. Persons in a position of trust include staff members, officers, and members of the board of a unit, council or district of the California State PTA. Board means the executive board or executive committee. Officer means an officer of the board of directors, executive board or executive committee. Staff member means a person who receives all or part of her or his income from the payroll of any unit, council or district as well as the California State PTA. Members of the board include any officer or chairman of the executive board or executive committee. Supporter means corporations, foundations, individuals, 501(c)(3) nonprofits, and other organizations that contribute to the California State PTA.

Policy and Practices

In accordance with the California State PTA Bylaws, Article IV, Section 6: A PTA member shall not serve as a voting board member of a constituent organization at the local, council, district PTA, region, state or national level while serving as a paid employee of, or under contract to, that constituent organization.

Related Party Provision. For purposes of this provision, the term “interest” shall include personal interest, Interest as director, officer, member, stockholder, shareholder, partner, manager, trustee or beneficiary of any concern and having an immediate family member related by blood or marriage or member of the same household who holds such an interest in any concern. The term “concern” shall mean any corporation, association, trust, partnership, limited liability entity, firm, person or other entity other than the organization. No officer or board member of the association shall be disqualified from holding any office in the association by reason of being related to any person that has any interest in any concern. An officer or member of the board of the association shall not be disqualified because they are a related party from dealing, either as a vendor, purchaser or otherwise, or contracting or entering into any other transaction with the association or with any entity of which the association is an affiliate. No transaction of the association shall be voidable by reason of the fact that any officer or member of the board of the association is related to a person that has an interest in the supporter with which such transaction is entered into, provided:

- a. The interest of such officer or member of the board is fully disclosed to the executive board.
- b. Such transaction is duly approved by the board of directors not so interested or connected as being in the best interests of the association.

c. Payments to the related party of the interested officer or the member of the board are reasonable and do not exceed fair market value that shall be determined by a three bid process.

d. No officer or member of the board may vote or lobby on the matter or be counted in determining the existence of a quorum at the meeting at which such transaction may be authorized.

e. Every officer and member of the board shall complete the annual questionnaire at the beginning of each fiscal year. This document shall be maintained as provided in the document retention policy.

Following full disclosure of a possible conflict of interest, the executive board shall determine whether a conflict of interest exists and if there is a conflict, the Board shall vote to authorize or reject the transaction or take any other action deemed necessary to address the conflict and protect the PTA's best interests. Both votes shall be by a majority vote without counting the vote of any interested board member.

An interested member of the board, officer, or staff member shall not participate in any discussion or debate of the board, or of any committee or subcommittee, in which the subject of discussion is a contract, transaction, or situation in which there may be a perceived or actual conflict of interest. However, they may be present to provide clarifying information in such a discussion or debate unless objected to by any present member of the board.

Anyone in a position to make decisions about spending the PTA's resources (i.e., transactions such as purchases and contracts) – who also stands to benefit from that decision – has a duty to disclose that conflict as soon as it arises or when it becomes apparent; he or she should not participate in any final decisions.

A copy of this policy shall be given to all members of the board, officers, and staff members upon commencement of such person's relationship with the PTA or at the official adoption of this policy. Each board member, officer, and staff member shall sign and date the policy at the beginning of his or her term of service or employment and each year thereafter. Failure to sign does not nullify the policy.

Each member of the board, officer, and staff member shall annually sign a statement which affirms such person (see Conflict/Whistleblower Form):

- a. Has received a copy of this conflict of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and

d. Understands that the PTA is a constituent organization of the California State PTA as a nonprofit corporation and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax exempt purposes.

Whistleblower Policy

 toolkit.capta.org/running-your-pta/planning-organizing/whistleblower-policy/

This **Whistleblower Policy** of the California State PTA: (1) encourages directors, officers, staff and volunteers to come forward with credible information on illegal practices or serious violations of adopted policies of the association; (2) specifies that the association will protect the person from retaliation; and (3) identifies where such information can be reported.

1. **Encouragement of reporting.** The association encourages complaints, reports or inquiries about illegal practices or serious violations of the association's policies, including illegal or improper conduct by the association itself, by its leadership, or by others on its behalf. Appropriate subjects to raise under this policy would include financial improprieties, accounting matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects on which the association has existing complaint mechanisms should be addressed under those mechanisms, such as raising matters of alleged discrimination or harassment via the association's president or the council/district president. This policy is not intended to provide a means of appeal from outcomes in those other mechanisms.

2. **Protection from Retaliation.** The association prohibits retaliation by or on behalf of the association against employees or volunteers for making good faith complaints, reports or inquiries under this policy or for participating in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The association reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this policy.

Where to report. Complaints, reports or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the specific facts demonstrating the basis of the complaints, reports or inquiries. They should be directed to the association president and the council/district PTA president; if the president is implicated in the complaint, report or inquiry, it should be directed only to the council/district PTA president. The association or council/district will conduct a prompt, discreet, and objective review or investigation. Officers, volunteers, and staff must recognize that the association may be unable to fully evaluate a vague or general complaint, report, or inquiry that is made anonymously.
